

# Webinar Introduction to FESTA

## FESTA for automation, next steps

Yvonne Barnard (University of Leeds)  
CARTRE WP4 Webinar Introduction to  
FESTA, 28 April 2017

CARTRE and SCOUT are funded by  
the European Union Horizon 2020  
Work Programme

# CARTRE activities

- All presentations and webinar will be available at the Connected and Automated Driving website:

**<http://connectedautomateddriving.eu>**

- Watch out for new webinars, workshops and special sessions at conferences
- Short version of FESTA made available soon
- FESTA handbook will be updated in order to cater for connected and automated driving
- Creation of a platform for data exchange
- Develop a strategy for sharing and exploiting the collected data in order to benefit in Europe from each other's learning experiences

# Challenges for the future

- New research question and evaluation methods
- New impacts areas: trilateral working group (US, Japan and EU) on socio-economic impact assessment
- New players from industry and research

## Sharing of knowledge, experience and data

# Thank you!
